SURGEONS REMOVE BULLET FROM MOYER---WEAK, BUT WILL RECOVER

*Coroner's Inquest on at Calumet—Hunting for Man Who
Yelled Fire—Congress Will Investigate Con-
ditions in Copper Country.*

BULLETIN

President Moyer was operated on at 11:30 this morning by the surgeons at St. Luke's Hospital and the bullet extracted. He is weak, but is recovering from the operation and is expected to recover rapidly now that the bullet is out.

Calumet, Mich., Dec. 29.—The inquest to determine responsibility for the awful loss of life at the Christmas entertainment at Italian Hall, Dec. 24, was started before Coroner Wm. Fisher today. Over 500 witnesses are to be examined, and the inquiry may last several days.

Long before the inquest started in the Red Jacket town hall the building was packed to capacity. Striking miners of all nationalities came from
